### Ties up with Orion

HCL Technologies Ltd (HCL) and Orion Edutech Pvt Ltd, Asia's leading BPO training institute, have jointly announced the launch of an innovative initiative to address the emergent issue of talent in the BPO industry. Under the agreement, Orion will customize its Diploma in BPO Management (DIBM) to suit HCL's industry specific talent requirement. This programme will be called the 'Orion Diploma in BPO Management – Powered by HCL'. This partnership will empower prospective HCL employees with the right set of BPO industry-specific knowledge and skills, according to a company statement.
